

WEALTH™ COIN

DEAL SHEET 2018

"We have to empower the 99% of the World's population and give them the same access to wealth as the top 1% if we want to co-create a sustainable and better planet for all. This is not a nice to have, this is a necessity!"

Scott Picken, *Founder and CEO of Wealth Migrate*

Wealth Migrate's WealthE™ is set to provide the catalyst that will ultimately fulfil the company's purpose. With its Initial Token Offering (ITO) Wealth Migrate has set in motion a solution that will solve, once and for all, the wealth gap by removing all the barriers, friction costs, and other limitations which exist with the current framework.

WHERE ARE WE TO DATE WITH WEALTH™ COIN ITO - THE TRUE REAL ESTATE-BASED TOKEN?

- PHASE 1 of the WealthE™ ITO, the Private Pre-Sale Q4 2017 was highly successful, raising US\$2.2M against a target of US\$1M at a minimum token purchase value of US\$50K.
- PHASE 2 of the ITO, the Pre-Sale opened on December 15th for an additional raise \$1M by March 30, 2018 – this sold out quickly at a minimum token purchase value of US\$25K.
- PHASE 3 of the Crowd-Sale launched this week April 4th allowing investment from US\$1.

"We believe that the WealthE™ Coin will be key to achieving Wealth Migrate's Massive Transformative Purpose of bridging the Wealth Gap around the planet. The World Economic Forum ranks the Wealth Gap as one of the biggest threats to humanity and our mission is to drive the democratization of real estate to solve this challenge."

Scott Picken, *Founder and CEO of Wealth Migrate*
